

# Sugs Lloyd: Accelerating Growth Across India's T&D & Solar Infrastructure

Strategically positioned at the intersection of India's infrastructure transformation, delivering consistent, scalable growth through Solar, Power T&D, and engineering excellence.

## **Disclaimer**

This presentation and its accompanying materials (collectively, the "Presentation") have been prepared by Sugs Lloyd Limited ("Sugs," "the Company," or "we") for informational and discussion purposes only. This Presentation does not constitute an offer to sell or solicitation of an offer to purchase any securities, investment advice, or recommendation, nor should it be relied upon as the basis for any investment decision or contractual commitment. Any securities offering by the Company will be made exclusively through formal offering documents containing complete information about the Company, its business, and associated risks.

While the information contained herein has been compiled from sources the Company believes to be reliable, the Company makes no representations or warranties, express or implied, regarding the accuracy, completeness, or fairness of the information presented. This Presentation may not include all material information concerning the Company, and any reliance on this information is entirely at the recipient's own risk. The Company expressly disclaims all liability for any errors, omissions, or inaccuracies contained herein.

This Presentation contains forward-looking statements concerning the Company's business prospects, market opportunities, and strategic outlook based on current expectations and assumptions. These statements are subject to significant risks and uncertainties, and actual results may differ materially from those expressed or implied. Various factors may cause actual outcomes to vary, including economic conditions in India and internationally, industry trends and competitive dynamics, execution of business strategies, technological developments, revenue variability, market acceptance, regulatory changes, and other business risks. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise.

Any forward-looking statements, projections, or opinions attributed to third parties included in this Presentation are not endorsed by the Company, and the Company assumes no responsibility for their accuracy or reliability. By reviewing this Presentation, recipients acknowledge that they have read, understood, and agree to be bound by the terms of this disclaimer.

## **Inside the Presentation**

- Company Overview & Current Position
- Competitive Advantage & Strengths
- **Business Outlook**
- **Project Snapshots**
- Financial Performance & Growth Strategy
- Investment Thesis

## **Company Overview**

₹409+ Cr

450+

50%+

17+

Outstanding Orderbook
24-30 months revenue visibility

Employee Strength
Skilled technical workforce

FPI Market Share
India's leading position

Years of Experience
Operational Since 2009

## Pan-India Presence

Operations across multiple states with project execution capability in Power T&D, solar EPC, and civil infrastructure. Strong presence across Pan India - Bihar, Jharkhand, Odisha, Gujarat, Punjab, Himachal, Maharashtra and expanding footprint nationwide aggressively.

## **Tier-1 Client Base**

Serving premier PSUs and private sector clients including NTPC Ltd (CARE AAA), Tata Power subsidiaries (CARE AA+), Indian Railways, and other high-rated counterparties backed by central funding schemes.

## **Orderbook & PAN India Presence**

## **Current Order Book: ₹409+ Crore**

#### 24-30 Months Visibility

Current order book provides clear execution roadmap through FY27

#### Scaling Up

Arrangement under way for ₹1,000 Cr bidding capacity shall unlock exponential growth potential

#### **Strong Pipeline**

₹800+ Cr in qualified bids under evaluation, expected conversion 20-30%

With an active presence across *Bihar, Odisha, Gujarat, Punjab, Himachal Pradesh, Maharashtra, Uttar Pradesh and Chhattisgarh* Sugs Lloyd has established a robust operational network serving client across India.

## **Blue - Chip Client Portfolio**

## **Client Credit Quality & Payment Security**

#### **NTPC Limited**

Rating: CARE AAA / CRISIL AAA

India's largest power generator, multiple ongoing T&D and solar projects ensuring steady order flow

#### **Central Scheme Projects**

Funding: RDSS, IPDS, PM-KUSUM

Government-backed projects with sovereign guarantee ensuring timely payments and minimal counterparty risk

#### **Tata Power & Subsidiaries**

Rating: CARE AA+ / IND AA

Long-standing relationship across solar EPC, electrical infrastructure, and FPI supply contracts

#### State DISCOMs

**Security:** Central backing under reform schemes Enhanced payment discipline post-UDAY and RDSS implementation, bank guarantees in place

Over 85% of current orderbook comprises AAA to AA rated counterparties or centrally-funded projects, significantly derisking revenue realization and working capital cycle.

## Leadership & Governance Excellence

**Mr. Santosh Shah** Chairman & Promoter

21+ years in electrical transmission and distribution, he is a distinguished leader respected by industry and government. His vision has driven key sector advancements

Mr. Satyakam Basu CEO 43+ years of global experience, he has led operations, projects, and business growth worldwide.

Chief Financial Officer
With 15+ years in EPC and infrastructure
finance, he leads strategic planning,
compliance, and cash-flow
management as Head Finance.

Mr. Anish Sharma
Vice President

Drives growth in Power T&D, solar, and
automation with 23+ years of project
and business leadership

Asst. Vice President

14+ years in power distribution and
solar, he maintains key government
linkages and oversees smooth project
execution at Sugs Lloyd

An MBA and Air Force veteran with 20+ years in HR and administration, he brings solid power distribution experience and leads Sugs Lloyd's electrical and staffing operations.

Business Head

Vice President

Drives growth in Power T&D, solar, and automation with 21+ years of project and business leadership

Mr. Jai Singh

## **Sugs Lloyd - Competitive Edge**

On-Time Delivery Culture

with

01

Impeccable track record with 99.984% on time delivery LD till date -0.016%

Digital-First Execution

02

03

Integrated ERP, and project management platforms enable real-time tracking, cost control, and predictive scheduling across all sites.

Vendor Ecosystem at Scale

PAN-India presence and growing order book enhance negotiation power, reduce procurement costs, and enable faster mobilization. ONLY
0.016%
LD as on date

**Elite Talent Pool** 

04

Engineers from Tier-1 institutions.

- Avg. exp of 10+ years from reputed companies.
- 40% Graduate Engineers

Cross-Sector Synergies

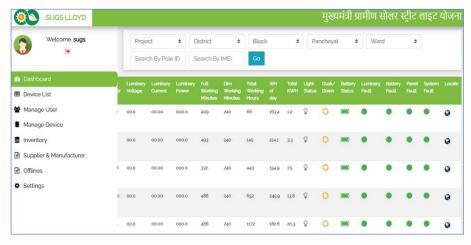

05

Bundled capabilities across verticals reduce overheads, win integrated projects, and create barriers to entry for single-domain competitors.

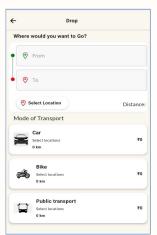

## **Technology - The Foundation of Our Execution Excellence**

## **WFM & BA Management**

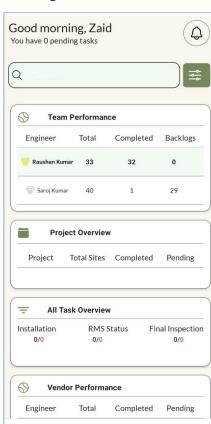

## Real-time project dashboards & Al powered resource optimization for

- Compliance and quality checks
- Reduction in project timelines
- Improvement in Margins
- Client satisfaction scores

**SLLDM- Project Management**

Cash and Cash Equivalents at the End of the Year	58.5	0.7	1.8

## **Executed Project Snapshots**

Various large-scale projects executed across Bihar, Odisha, Gujarat, Punjab, Delhi & Kolkata for major discoms & govt entities - Tata/NTPC/NHAI/Indian railways/BREDA

## **Sugs Strategic Offerings**

Transmission & Distribution infrastructure,

- RDSS scheme projects
- Grid modernization
- Turnkey substation execution
- Smart metering solutions

## Solar EPC

Ground-mounted and rooftop solar installations

- C&I segment
- MW-scale projects
- Large scale Solar street light projects

## Niche Products & Solutions

Fault Passage Indicators, auto reclosures, sectionalisers with IoT integration, remote monitoring, real-time diagnostics

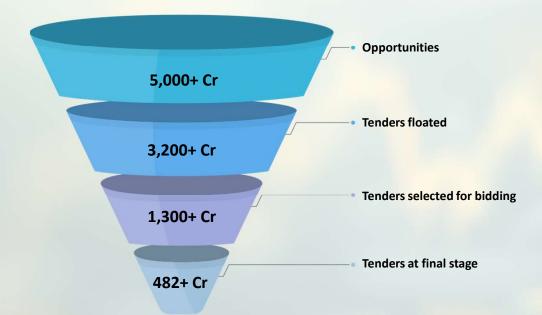

- Customized solutions
- Turnkey services from designing till commissioning, O&M
- Inhouse R&D & continuous product upgradation

## **Business Outlook - Power T&D**

#### **Potential**

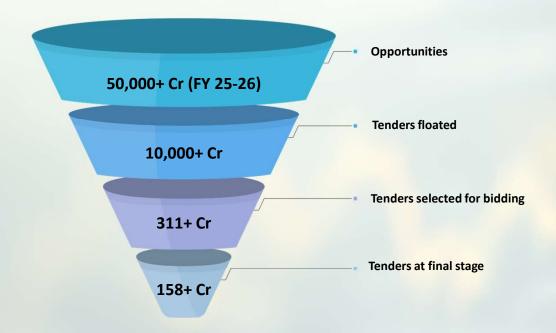

- RDSS 1.5 Lakhs Crores
- One Nation-One Grid- One Frequency- Transmission and Solar- 5 Lakh Crores
- Inter-State Green Energy Corridor Phase II (Ladakh 13 GW RE + BESS)-₹20,773.70
- Green Energy Corridor Phase III (Intra-State)- ₹22,400 crore
- Gujarat Green Energy Corridor–III -₹29,000 crore
- National Transmission Plan for 500GW non-fossil Capacity-2.4 Lakh Crores
- Reconductoring -3000 Cr

## **Business Outlook - Solar EPC**

- National Electricity Plan-280 GW of solar PV capacity by 2030-~30 GW/year.- 10.5 lakh crore
- Indian govt allocated dedicated fund of ₹ 10,000 crore for large-scale solar parks, rooftop installations and off-grid solar.
- Central Electricity Authority projected requirement of 411.4 GWh (175.18 GWh from PSP and 236.22 GWh from BESS) of energy storage systems in India by 2032.-₹4.79 lakh crore
- The Indian government-direct budget across 2025-30 for NGHM is modest (~₹ 19,744 crore)

BESS- We have started bidding for BESS solar plants to capture the growing demand on energy storage system.

## **Business Outlook - Niche Products**

#### **Government Investment**

#### RDSS Scheme

1.5 Lakh Crores with up to 60% GBS funding for distribution infrastructure

#### AT&C Loss Reduction Mandate

From 21.91% (FY21) to 12% target by 2027 - FPIs critical for achieving compliance 2024-25 Average cost of supply (ACS) to average revenue realized (ARR) gap to be zero

#### **Stage 4: Opportunities**

Maharashtra, Jharkhand, Puducherry,
 Uttarakhand, Gujarat, Orissa etc.

#### Stage 3: Tenders floated

Maharashtra, Jharkhand, Puducherry,
 Uttarakhand, Gujarat, Orissa etc.

#### Stage 2: Tenders selected for bidding

- Himachal , Bihar, Kerala, UP

## **Stage 1: Tenders at advanced Stage**

- Gujarat , Bihar, UP, Orissa,

Auto Recloser

Sectionalisers

#### Fault Passage Indicator

## **Business Outlook - Niche Products (Additions)**

To capture future opportunities in T&D sector, we are upgrading product portfolio with continuous inhouse R&D and testing.

## 1. Compact Fault Passage Indicator

- Upgraded version of FPI will help to detect the low earth leakage fault, conductor snap faults along with more accuracy (99.99%).
- Compact FPI will detect the 3-phase voltage along with the measurement of all other electrical parameters which is missing in current FPI model.
- With this upgraded FPI version, data accessibility will be eased and can be avail anywhere with data security.

## 2. Medium voltage Switchgear (MVS)- Indoor & Outdoor

- New addition in our overall product portfolio to cater the increasing demand of Medium Voltage Switchgear(MVS)
- Range- 11kV -33kV Vaccum Circuit Breaker(VCBs)
- Market opportunity-₹4,500+ crore (approx.)

#### 3. Medium voltage Switchgear (MVS)- Ring Main Unit

- Dry Compressed air Ring Main Units will be replacing SF6 models which are not safe for environment.
- Market opportunity-₹38,000+ crore (approx.)

## Macro Tailwinds: Aligned with India's National Priorities

## **Policy Acceleration**

PM-KUSUM, RDSS, and National Infrastructure Pipeline (NIP) are unlocking multibillion-dollar opportunities across our core verticals. Government capex commitment provides visibility and scale.

#### **Private Sector Momentum**

Surge in private investments in renewables, data centers, and smart infrastructure is expanding our addressable market beyond traditional government contracts.

## **ESG & Sustainability Mandates**

Clients increasingly demand green, digital-ready infrastructure—areas where Sugs Lloyd is already ahead of the curve with proven track record and certifications.

# Why Sugs Lloyd? Why Now?

**Right Sectors** 

Positioned in India's three fastest-growing infrastructure verticals with proven execution capabilities

**Right Capabilities** 

Digital backbone, elite talent, and cross-sector synergies creating sustainable competitive advantage

**Right Timing** 

Infrastructure supercycle beginning, with policy tailwinds and private investment momentum accelerating

## **Built for the Next Decade**

With a future-ready team, digital backbone, and sectoral diversification we are not just participating in India's infrastructure growth—we are shaping it.

"Our commitment is simple: Deliver on time, every time—with precision, performance, and purpose."

## **Registered Office:**

Office No-8B, CSC-I Mandawali, Fazalpur behind, Narwana Apartments, New Delhi, Delhi-110092
